## Thoughts From the Chair...

Last week I sent a note to the family of Susan Connoley thanking them for the donation of their mother's quilts, fabric and books to the Mountain Meadow Quilters. Our guild has collected close to 900 dollars from the sale of the aforementioned items, with more fabrics and books still to be sold. In addition, a significant amount of fabric has been kept to be used for future charity projects. Susan wanted her quilting related items to go to us, and I hope we put the money and fabric to good use, keeping Susan's love of quilting mindful.

I went to Terry Anderson's home to look at all the items she and Caroline Lincoln had collected and was truly surprised by the sheer volume I saw. As we came up with a plan for dealing with the fabric, Terry and I talked about Susan, and wondered about her. Surely she made many more quilts than those we had at our last Tuesday meeting, and we couldn't help but wonder what they were like. Terry did an amazing amount of work to get the fabric ready for us, and really deserves our thanks for doing such a great job.

Now that it is October, bird hunting season has begun. This means my husband Jim and our two wirehairs, Frida and Lola, take off for weeks at a time in search of pheasants, chukars, quail, huns and ducks. For me this means time to slow down at home. I've been traveling and attending workshops, and now it is time to do some serious cleaning and organizing in my studio. I need to get things picked up, and then start sewing.

Until Later,  
Pat

The minutes were approved. **Membership:** Wendy Hill reported that the new forms were on the table. Please pay your dues early. They are \$25 per year. **Service Projects:** Terry Anderson. Sharon Connolly's husband has given her fabric and unfinished quilts to our guild because she admired the creativity in our guild. Make a donation for what you want to buy—\$4 per bundle of fabric. Sharon passed away from cancer. Pat Pease has two more boxes which she will bring to the 2nd Tuesday meeting. There is an old fashioned quilting frame available which is at Broken Top. ### Volunteering in the Guild

Our guild operates and is successful because of volunteers filling Board and Committee positions. This is done yearly. It is now that time of year. We are looking for interested guild members to fill vacant positions. You need not be experienced, only willing to learn. Whoever previously filled the position will eagerly show you the way. Most committees have records and procedures for ongoing activity. What is needed are new faces, thoughts and energy.

These positions are not graded, you cannot flunk. It's not like a job where you can get fired. We just ask that you do your best. Buddy up with a pal and volunteer for an activity. Bring your experiences to the guild. Everyone has something to offer. The guild only runs as well as the people willing to put their time and effort into our activities.

If you participate in and enjoy current guild activities you can volunteer and be a part of the choices in the future. There are a variety of positions available, some more difficult than others. Job descriptions are online in the website at [www.mtnmeadowquilters.org](http://www.mtnmeadowquilters.org); click on "Documents" and then "Procedure Manual". Start small and build your way up. Volunteering helps you meet members of the guild. It is a great way to make new friends and interact with others who have the same interests as you.

Call or email Michelle McMicken if you are interested in filling one of these positions.
